Table Of Contents

FALL	8
WINTER	50
SPRING	88

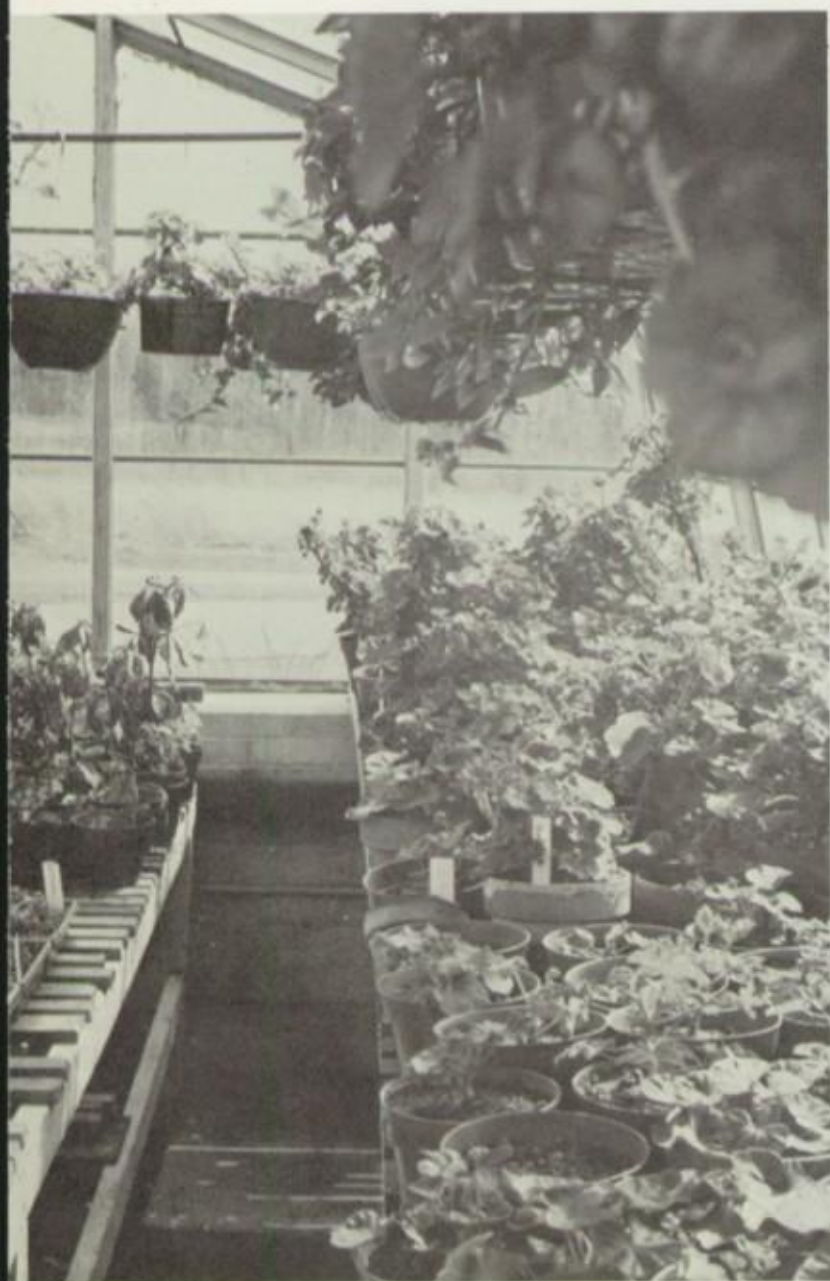

A time to be born.

A time to die.

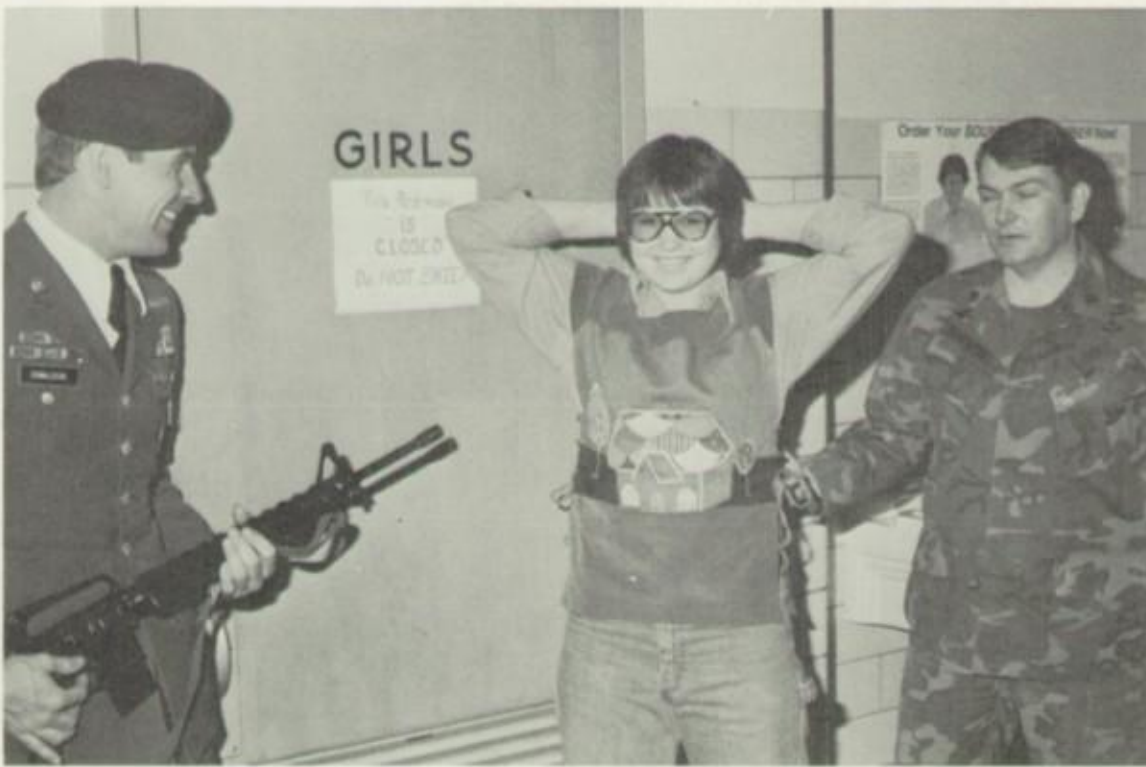

To Everything
There Is A Season
And A Time For
Every Purpose
Under Heaven

A time to plant.

A time to pluck up that which is
planted.

A time to kill.

A time to heal.

A time to dance.

A time to weep.

A time to laugh.

A time to mourn.

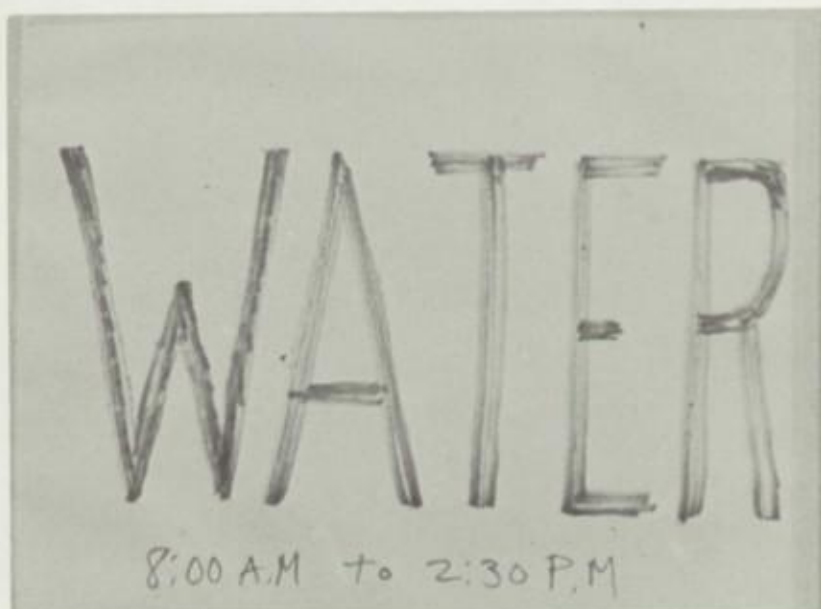

A time to embrace.

A time to refrain from embracing.

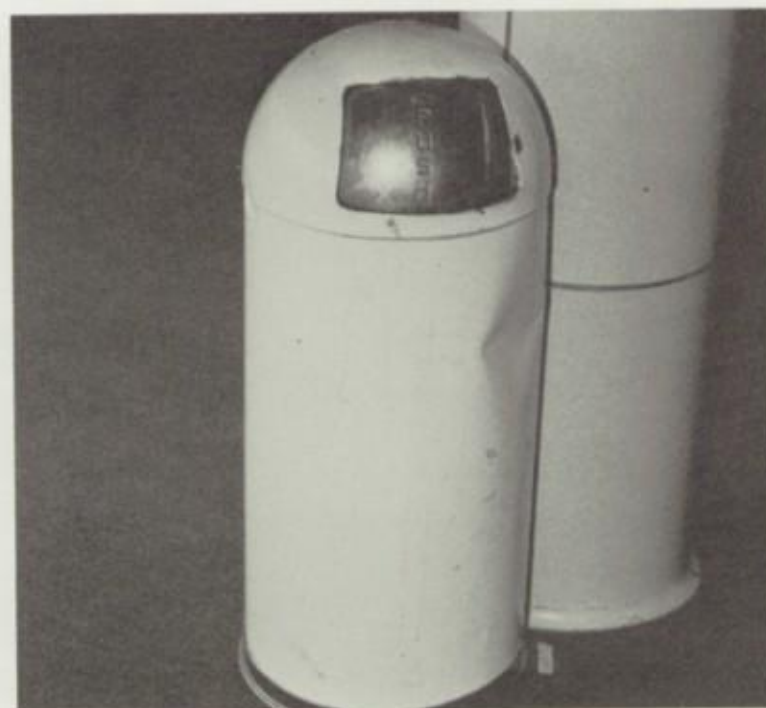

A time to lose.

A time to get.

A time to keep.

A time to cast away.

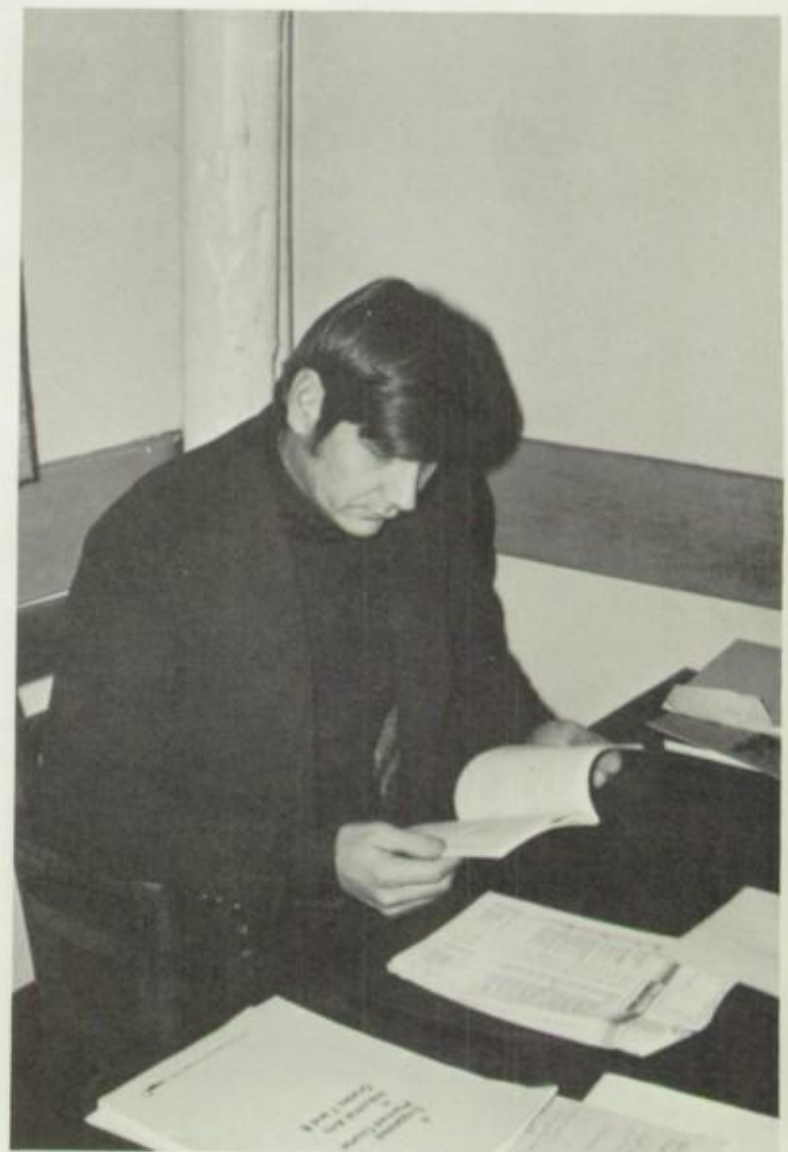

A time to sew.

A time to tear.

A time to speak.

A time to keep silence.

A time to love.

A time to hate.

A time of war.

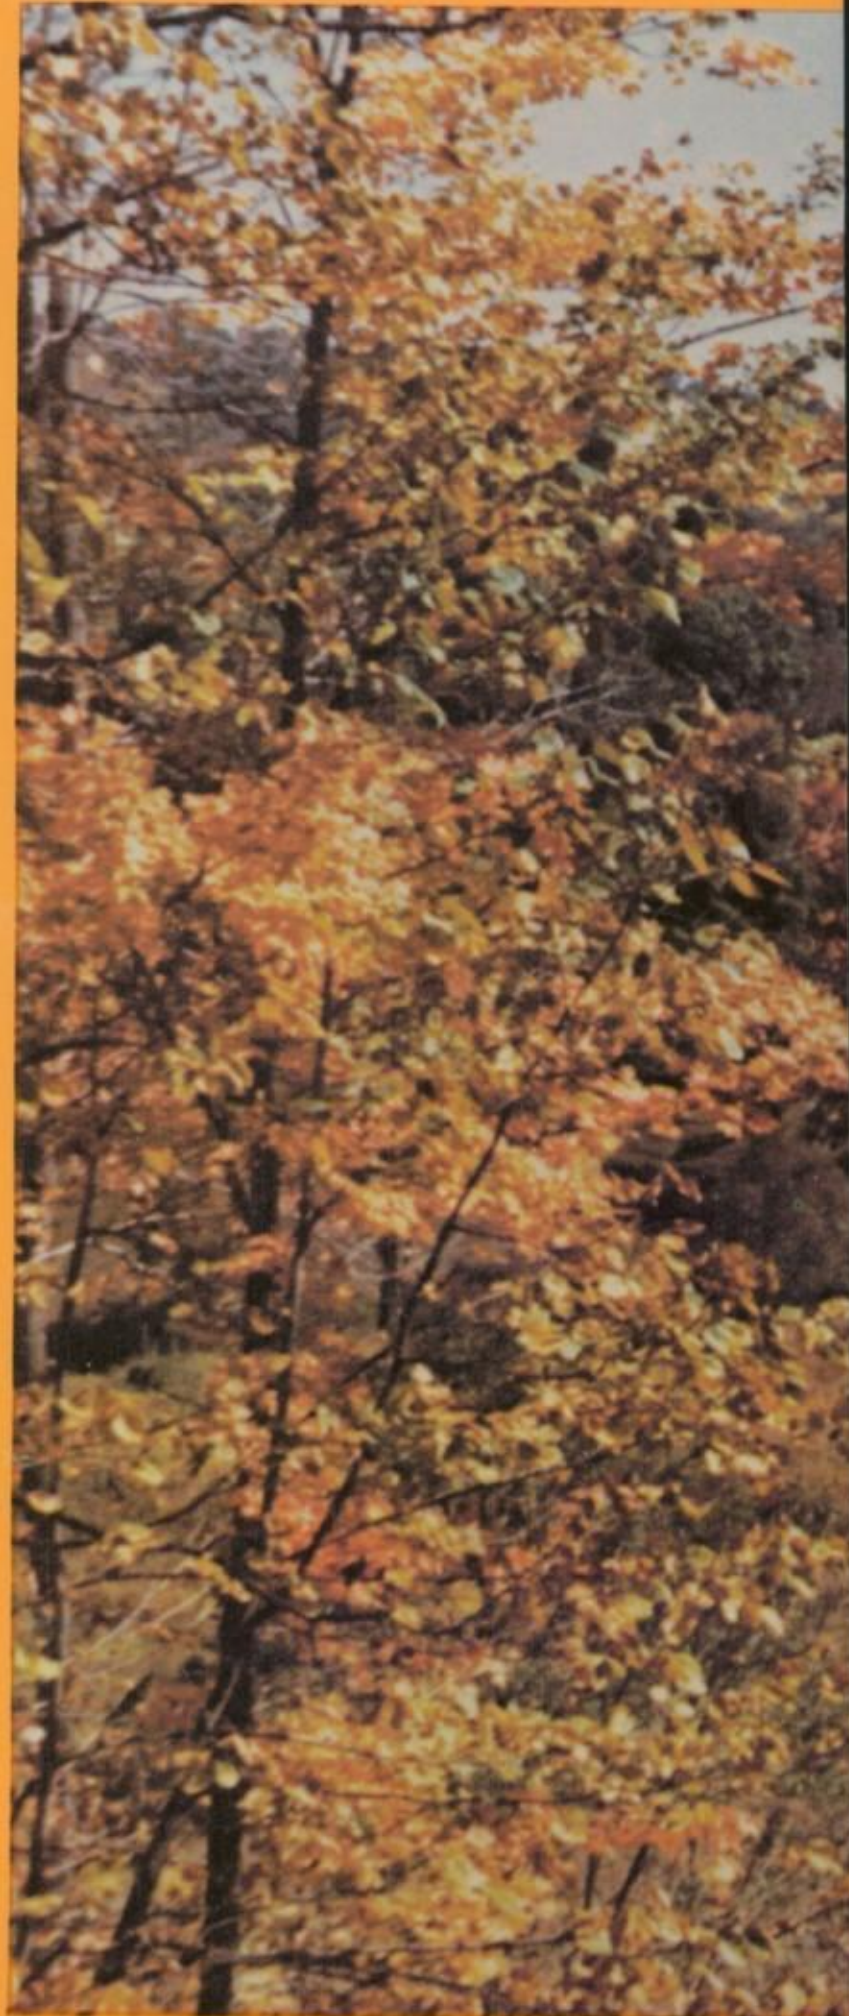

A time of peace.

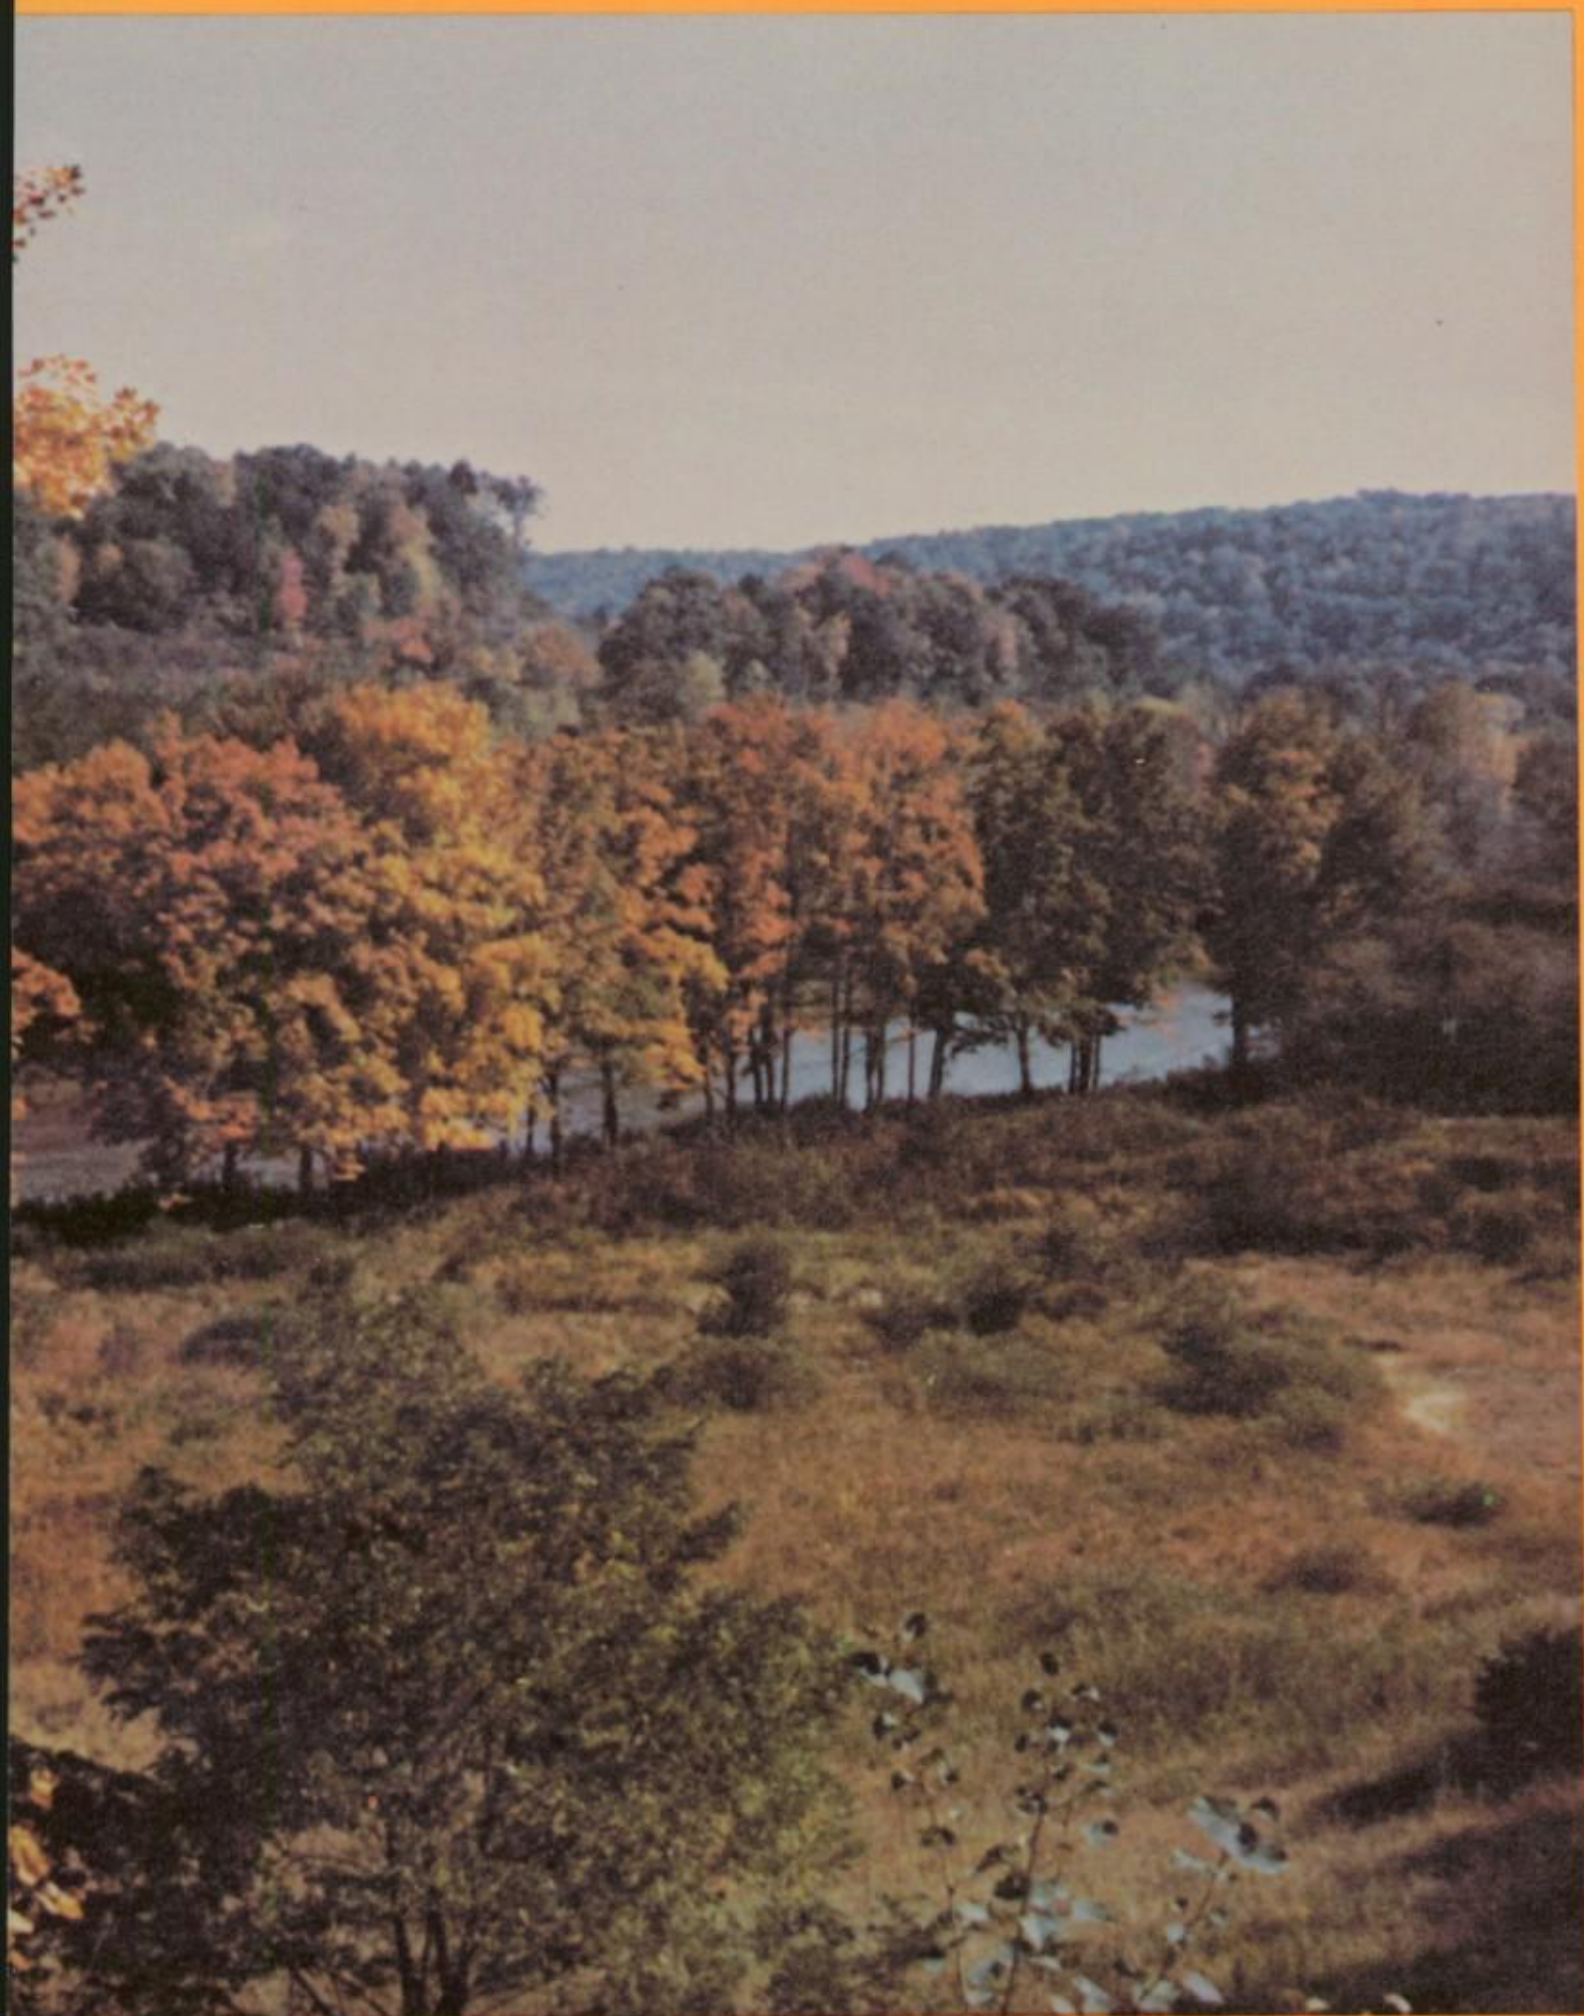

To Everything
There Is A Season,
And A Time For
Every Purpose
Under Heaven

Come on, coach, put us in.

Hey, three against one isn't fair.

Sorry, Deb, I couldn't tell the difference.

Girls' basketball had a fine season under first-year coach, Cindy Boyle. The team ended with an 11-2 season record, its only two losses were against Clearfield. Then in the playoff game with Elk County Christian, the girls lost in overtime to give them an overall 11-3 record.

Besides a new coach, something else was also added; the All-Sports Club gave trophies to Kim Clark for most rebounds, Tenley Ammerman for highest foul shooting percentage, and Cindy Dreibelbis for most points per game.

“Let It Snow”

Army helicopter flies in much-needed water pump.

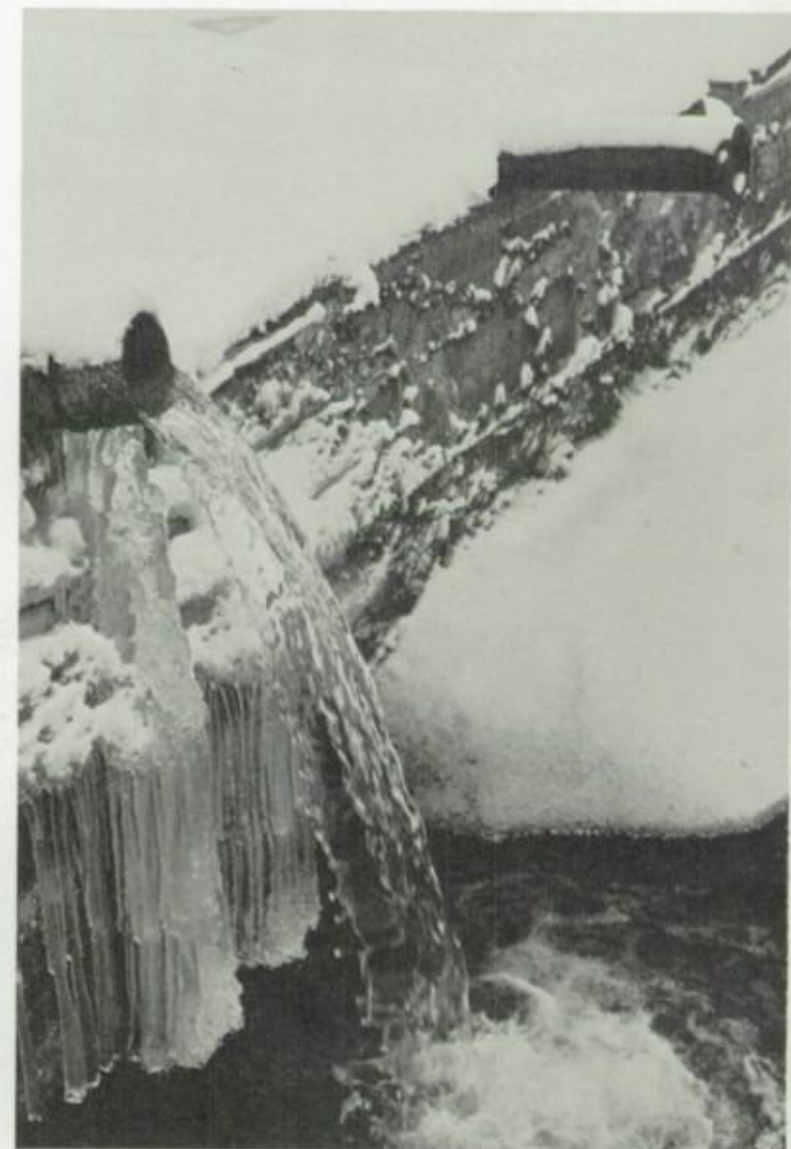

The winter of '77. This phrase will always be remembered. A severe water crisis hit Curwensville when the Bear Run Reservoir drained. Help was brought from Harrisburg and other communities. We salute the men of this town who donated so much unpaid time to aid their well-loved community.

Teachers pitched in to help the stricken community.

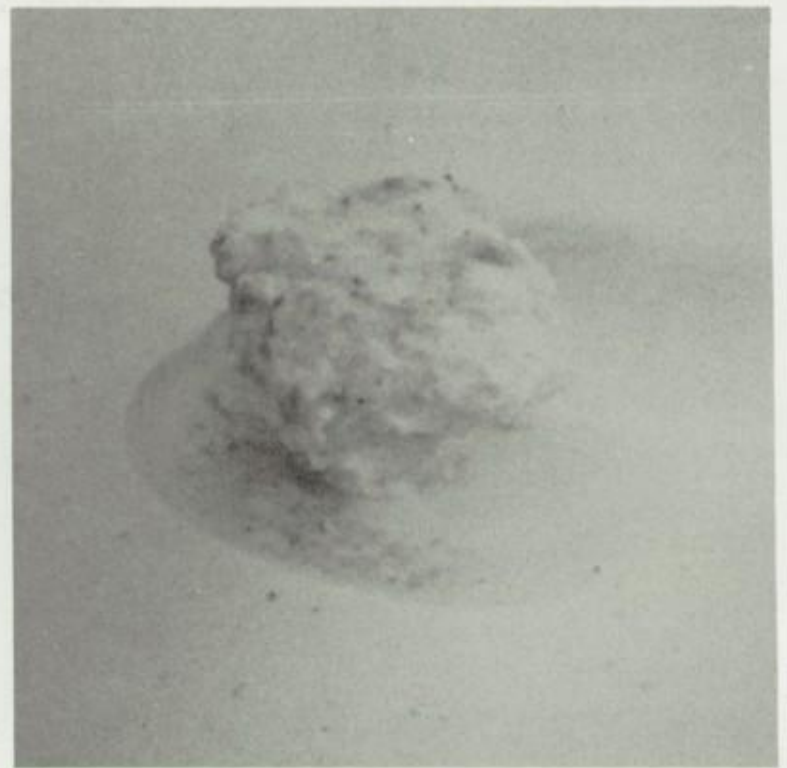

A typical scene during the winter of '77.

Water - an uncommon sight.

The largest snowfall in ten years hit hard.

Snowballs were a familiar sight.

Record cold temperatures lasted for two months.

Snow - pretty, but oh, so ugly.

Neither rain nor snow nor freezing temperatures could keep the Class of 1977 from graduating.
